## **APPLICATION OF**

**OLD DOMINION ELECTRIC COOPERATIVE**

**CASE NO. PUE-2002-00003**

**For a certificate of public convenience and  
necessity for electric generation facilities in  
Fauquier County**

## **HEARING EXAMINER'S RULING**

**April 10, 2002**

On March 21, 2002, Old Dominion Electric Cooperative ("ODEC") filed a Motion to Admit Omitted Attachment and Additional Information to supplement the prefiled testimony of one of its witnesses. ODEC requested that Attachment DNS-2A be included with the Supplemental Direct Testimony of David N. Smith. ODEC further requested that a letter from David N. Smith to Mr. Charlie Ellis, dated March 15, 2002, with attachments, be included as Attachment DNS-5 to the Supplemental Direct Testimony of David N. Smith.

Good cause having been shown, and there being no objection thereto, I find ODEC's Motion to Admit Omitted Attachment and Additional Information should be granted. Accordingly,

**IT IS DIRECTED** that:

- (1) Attachment DNS-2A shall be accepted for filing as part of the Supplemental Direct Testimony of David N. Smith; and
- (2) A letter from David N. Smith to Mr. Charlie Ellis, dated March 15, 2002, with attachments, shall be accepted for filing as Attachment DNS-5 to the Supplemental Direct Testimony of David N. Smith.
